

Occasionally the memory is before us of **W8RHZ Harry Steffan 1893-1976** of Twinsburg Ohio. Bob Green of OldQSLCards dot Com has another Steffan card offering. To add to the material this time we have Harry's burial plot, a copy of his commercial log book produced in his print shop (Steffan Print) for amateur use and his rare 30-s QSL. His print shop items were popular for decades. Harry's 3 ring binder was his log and I-Pad for each QSO he made, well before his time. Red Head Zebra or Dubba 8 Robert Henry Zachariah, Harry knew how to put out a big signal. W8SU 2013
