

Harry W. Lewis *1923-2013* W7JWJ and Mary E. Lewis *1928-2013* W7QGP - Both husband and wife devoted to each other and family, serving their community and amateur radio. Harry born in Canada, raised in Northern Idaho, first licensed in 1941. While a junior in high school he saw a copy of the American Morse code in a physics book. He thought it would be great for sending secret messages in study hall. Harry taught radio and television broadcasting and was an electronic vocational instructor. Mr. Lewis won 36 Morse Code contests, four in excess of 75 WPM. He had many affiliations including ARRL, QCWA - Harry contracted polio when young, the paralysis gradually mainly left. "My first job was a Morse Telegrapher." Being a registered instructor mentored hundreds of prospective and new hams, will truly be missed. Harry age 90 expired 19 October 2013, survivors include a daughter Diana, K7ETY and son Gary WA7BBJ. His XYL Mary expired last March. - W8SU 2013

Mary E. Lewis *1928-2013* W7QGP - Mary's love for life and ham radio lead her to serve the ham radio community over the years. Retired and an Elmer to many, her life included broadcasting and engineering, a member of Society of Broadcast Engineers. Along with her husband Harry W7JWJ helped to create the Western Wash., Amateur Radio Traffic System. Member of many fraternal associations including W. Wash., DX Club - North Seattle ARC - Mt Baker Amateur RC. She was twice ARRL Division Director and Section Communications Manager etc.

Mary expired 12 March 2013, a memorial service was held, Harry survived her, a daughter Dianna, son Gary, four grandchildren and three great-grandchildren - in lieu of flowers the family wanted any donations to go toward the purchase of a brick to honor Lewis' in the ARRL's Diamond Terrace. - some material excerpted from K7LED, Mike and Key ARC and ARRL News 3-26-2013 - QSL's credit W8JYZ Old QSL Cards dot Com -
