

Ambassador Armin H. Meyer *W9ACE - W3ACE* 1914-2006- Foreign Service Officer Born in 1914, Fort Wayne, IN. An alumni of Capital Univ. Columbus (Bexley) Ohio - A Lutheran by faith.

With his distinguished career in public service, spanned more than 30 tumultuous years of hot and cold war, beginning in WWII. With his secret mission to Eritrea. Postings in Afghanistan, Baghdad and America.

Ambassador Meyer was President Kennedy's selection of Ambassador to Beirut 1962-65; President Johnson's selection of Ambassador to Shah's Iran in 1965-69; Then President Nixon's Ambassador to Japan from 1969 to 1972.

Ambassador Meyer's book is a good seller and well recommended in the world events scene. The Ambassador was on the air frequently and we have his QSL card W3ACE to display.

Here is Hank's card when he was Ambassador to Iran from 1965 until 1969, appointed by President Lyndon B. Johnson.

It was reported Hank had DXCC in every DX country he served, which included YI2AN - YA1AM - OD5AX - EP3AM & JH1YDR. Hank suffered a long illness and expired Sept 2006 age 92.
